

## **General Steps on Purchasing a Camella property**

The following are basic and important details a buyer should know about owning his/her home of choice in Camella

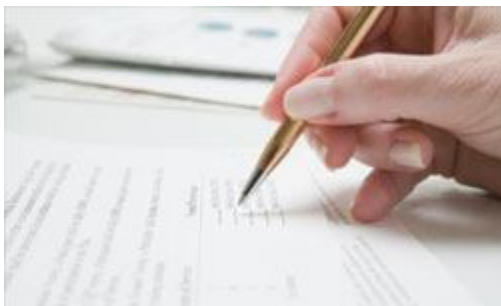

### **Project Presentation**

The Property Consultant presents to Buyer, the project features, inventory, financing options and other relevant information.

### **Property Visit**

The development is visited with the Property Consultant for a better appreciation of the property, amenities, as well as its location, road networks, routes, landmarks and nearby commercial areas.

### **Reservation Application**

Client chooses the desired property and fills in the necessary forms. The purchase is formalized at the Camella Office.

### **Marketing and Administrative Briefing**

After submission of the Reservation Agreement and Quotation Sheet, a final briefing will be conducted by Camella Marketing Team before the actual purchase is formalized.

### **Submission of Requirements**

After the briefing and acceptance of duly filled in forms, Client is given 30 days to submit necessary requirements for the purchase. The property is held under the Buyer's name.

### **Move-in / Turnover of Property**

The property is delivered on a date specified in the Reservations Agreement. Once constructed, the Homeowner and Developer conduct a joint inspection of the property to confirm that all commitments are delivered.
